

2023 Membership Form

Established in 1929, North Dakota Crop Improvement and Seed Association (NDCISA) is a non-profit organization supported by county dues, producer memberships and research fees from the seed increase program. NDCISA works closely with the North Dakota Agricultural Experiment Station and NDSU Extension to support ag. research, promote general crop improvement practices, increase varieties best adapted to the region, and to make the seed easily available to producers.

The NDCISA is open to all producers who are interested in the certified seed industry so join today!
The annual membership fee is \$100.00.

Your paid membership will provide you with the latest information and genetics managed by NDCISA.
